

BioTourist, We Live Nature. We are a Tour Operator specialising in luxury experiences. We promote products and services associated with natural resources, culture and heritage of the best destinations in Chile.

A scenic view of a snowy mountain landscape. In the foreground, a black helicopter is parked on the snow. Several people are standing nearby, some on skis. In the background, there are snow-covered mountains and a bright, cloudy sky. A green circle is overlaid on the left side of the image.

BioTourist Life

A concept that encompasses exclusive experiences, carefully designed with an image and identity of its own. Combining adventure, luxury, comfort and select destinations.

A first-person perspective from the cockpit of a helicopter. The pilot, wearing a black helmet and a green flight suit, is visible on the right side of the frame, holding the cyclic control. The instrument panel in the center features several analog gauges and a digital display. The view through the windshield shows a vast, green, forested valley with a winding river or road in the distance. A green circular graphic is overlaid on the left side of the image.
